Dear Mrs. Lynn:

This letter serves as notification that on Monday, May 17, 2010, at a special meeting of the Historic District Review Committee (HDRC), the Committee deferred your Certificate of Appropriateness (CAPP 2010-0011) as submitted in your application received the same day for the installation of solar panels on the rear elevation of the roof of your home. The HDRC's motion to defer your application gives you the ability to return to the HDRC with revisions that would meet the Historic District Guidelines and would specifically address the issue of the visibility of the proposed panels from Lincoln Road.

As stated at the meeting, if you wish to be placed on the HDRC's regular meeting agenda for June 14, 2010, a revised proposal should be submitted to the County by Friday, May 21, 2010. Feel free to call me at (703) 771-5115 or e-mail Heidi.siebentritt@loudoun.gov if you should have any questions.

Sincerely,

Heidi Siebentritt
