# Double Hung Window

- Fiberglass Exterior  
- Wood Interior

Traditional style meets high performance in this evolution of the classic turn-of-the-century window. Its clean, balanced design is ideal for second floor bedrooms and looks great with shutters. Double Hung windows combine nicely with Picture windows, Polygons and more to create breathtaking windowscapes.

### Features

- Top and bottom sashes tilt and remove easily for hassle-free maintenance and cleaning
- Low-profile sash lock for smooth operation
