Members of the PC,

My name is William Deal and I too am a Resident Director on the Stone Ridge HOA BoD. I would like to express the same sentiments as Mr. Rhodes has with regards to the rezoning proposal. After much discussion with Denise and Roy, I feel that this plan would be beneficial to our community.

Best Regards,

Members of the Planning Commission,

I am a resident of Stone Ridge and an elected member of the Stone Ridge HOA Board of Directors. I have reviewed the Stone Ridge rezoning proposal and discussed it at length with Denise Harrover and Roy Barnett. They have addressed my questions and, in concept, I believe the rezoning plan is a good one for the community.

I apologize for the lateness of this email. Thank you for your time and for considering the opinions of the residents.

If you have any questions please feel free to contact me.

Sincerely,
