Re. Request for Checklist waiver Cedar Green Church (PRAP 2008-0050).

Mr. Kim:

I have reviewed your email dated June 11, 2008 in which you asked that the Director waive the Phase 1 archaeological survey on behalf of Cedar Green Church and consulted with the County's archaeologist. The Director has agreed to waive the study because much of the area has been disturbed and has little archaeological potential.

I would note that this waiver does not preclude staff from requesting additional information later during the review process.

Please attach a copy of this letter to your application and keep a copy for your records. Feel free to contact me with any questions.

Sincerely,

John Merrithew, AICP
Assistant Director of Planning
