

SIGN MATERIALS LEGEND

Stone Veneer
Precision cut natural stone veneer to be mounted on a C.M.U. core wall

Jaramite Sign Cap
Reconstituted limestone product blended with a high strength polymer for durability and longevity. Sandblasted for a natural stone finish

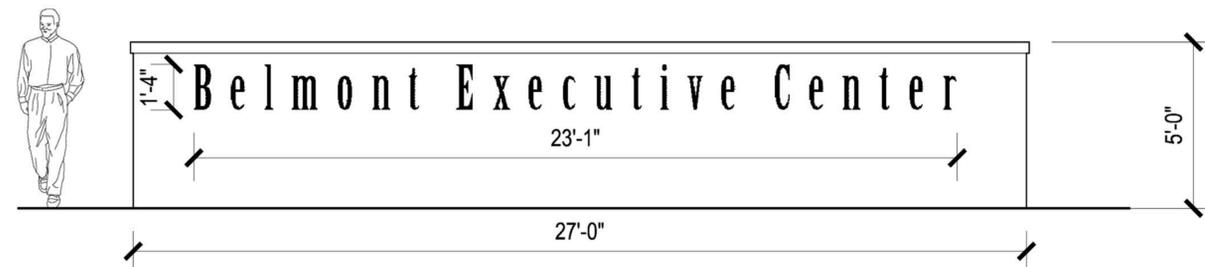

Aluminum Pinset Letters
Quarter inch (1/4") fabricated metal letters, painted black. Letters to be through-bolted to core and set 3/4" off of stone face.

SIGN LIGHTING

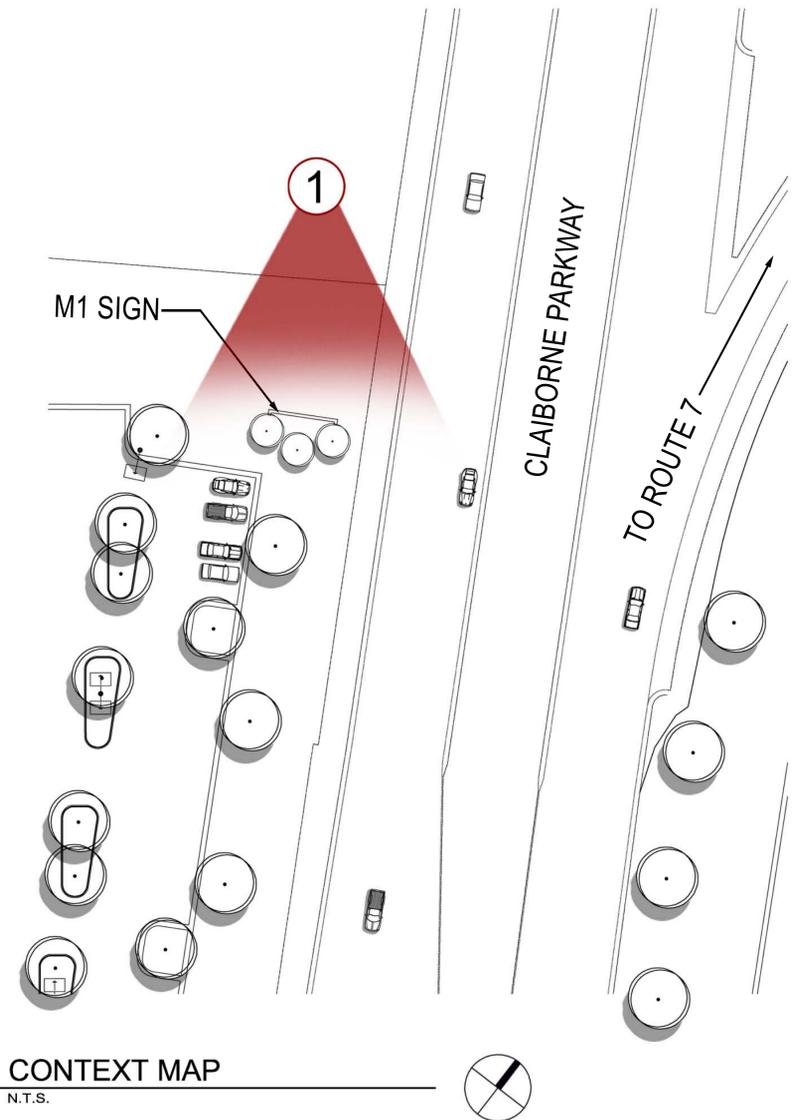

Typical uplight to be used for sign lighting. Light fixture uses white light and has shielding and cutoff features to minimize light pollution.
